We do not have responsibility with copywright of this book.

You can find the 'newer' cover edition with the same ISBN [HERE](#).

'O lustre' é, provavelmente, o livro menos conhecido de Clarice Lispector. Publicado em 1946 e reeditado pela última vez em 1976, o livro não foge às características que consagraram o estilo único de Clarice; o delicado tom intimista pontualmente quebrado por perturbadoras metáforas, a exposição do impiedosa da alma humana sem que sejam revelados os mistérios de cada personagem.
